

Spring Trophy 2024 results

A big thank you to everyone at Tavistock who made us so welcome and helped make our day run so smoothly. The first big competition of the year to get us into the season, The Spring Trophy, attracted 3 pairs from 15 clubs. Thanks to Shaun Getson (the originator of the event) for starting all the competitors. It was good to see so many players stayed on for the presentations, particularly those who played quite early.

The following 7 players had a two and received 2 sleeves of balls each:
